I met with former State Senator Jim Wright this week to talk about economic activity in the area and upcoming projects. We also talked about Advocate Drum and how Local 910 can continue working with them to get funding.

I also attended training in preparation for the upcoming Government Affairs Conference. So far I have meetings scheduled with Claudia Tenney and Senator Kirsten Gillibrand. We are still working on a meeting with Senator Chuck Schumer. Topics of discussion will include Permitting Reform, The PRO Act and the National Apprenticeship Act.
