Work continues to hold steady, two of the large solar projects have wrapped up in St. Lawrence County, but some other projects in the area have been adding manpower so it has worked out well.

Dave and I met with Wellington Energy about a potential project to change out electrical meters in the Plattsburgh area.

We had a PLA meeting for Massena Hydrogen Plant no changes.

Ogdensburg Airport PLA Kickoff meeting was held November 1st, we are working on getting all the paperwork filled out by the subcontractors.

I attended a zoom meeting with New York State Business Managers to discuss a new statewide advertising campaign.

I had a zoom meeting with the Solar Program Director for Boralex, and one of their attorneys. We are working on getting a PLA for their Greens Corners Solar Project. This is the 140 MW Solar Project in the town of Watertown and Hounsfield. They are hoping to start in the spring of 2026 and complete around July of 2027. They are expecting 250 workers at the peak of this project. There will also be a new substation built. They still have some work to do with the power purchase agreement.
