Schuler Haas has started their 5 MW Solar project in Ogdensburg, I did a site visit with the New York State Department Of Labor's North Country Regional Representative for Labor Management. He took some pictures and talked to the guys to get a better understanding of the work involved with building these projects. He was very impressed that 5 of the six guys working for Schuler-Haas on this project live very close by. Schuler Haas expects to hire more Journeymen for next week, then they will mobilize the project in Chateaugay. They have another project in Canton that has not started yet.

We have two spots available for The Towsley Pro-Am at Turning Stone Shenendoah Golf Course Monday June 24. The Towsley Pro-AM is a fundraiser for the Upstate Foundation and is named after former IBEW Local 43 Business Manager William Towsley. As part of our sponsorship of this event, we get to enter a Local 910 team. Please contact Travis if you are interested in golfing.
