Work remains about the same with steady calls in the Plattsburgh area. Good places to sign are Local 41, 43, 86 and 237. Most job calls in those locals have incentives.

As you can see the bid activity has really picked up which is good to see. There are a few projects that are supposed to start in early April so it should be a busy year.

Last Month the membership voted to split the \$2.60 increase by adding \$1.50 in wages, \$0.40 H&W, \$0.50 Pension, and \$0.20 Annuity

We finished contract negotiations for the Credit Union last week and the members voted to approve the new contract.

Dave and I are at the Third District Progress meeting this week. This will be the first progress meeting with our new International Vice President Frank Muia. Typically, a new Vice President will lay out their plans and any policy changes for the district.
